Adoption Home Studies help to prepare the adoptive, foster and kinship home for the  
adoption journey. The home study process documents that the home (structurally,  
emotionally, etc.) is suitable for an adoptive placement. The process requires  
one-on-one meetings with prospective adoptive parents and several visits to the home.  
The home study prepares adoptive parents in understanding the commitment they are  
making to provide a permanent home for the child or children they will be including  
in their family. Our staff is committed to treating the family with dignity and  
sensitivity as we walk beside them through each step of the home study process.  
Services are at the convenience of the family, are performed in the home and  
completed within 90 days of referral. During 2017, eleven (11) clients participated  
in 143 hours of home study assessment to earn eligibility for adoption.
